- Kate Figiel-Miller is preparing a Memo of the survey findings.
- The finalized report will be shared by the end of the month.
- Feel free to share the data breakdown
- We may need to remove the narratives.

Expungement Letter

- There is a lot of division on the committee with regard to making a recommendation for expanding access to expungement (we are NOT focusing on what expungements actually cover).
- We will not move forward with the expungement as a Committee, but Shelly, Delegate Bartlett and Laura will continue to support the expungement recommendation. Committee members who are interested can still sign on.
 - Other SANE members on the recommendation: Jessica Emerson, Ashley Young, Lauren Pruitt, Dorothy Lennig

Food banks

- Please reach out to Barbara Palmer who works with food banks in Anne Arundel County if you have any donations to give.

Reena Shah and AG Brian Frosh are looking to give special thank yous to Committee members who have gone above and beyond to help the Task Force.
